Research Scholar Program at Lehigh Valley Health Network (LVHN) is a paid internship program for undergrads that may be interested in the healthcare field. Below is some important information for those interested in the internship opportunities.

The program runs from June 5, 2017 to July 31, 2017

- Stipend is $2,000.
- Approximately 40 positions available for virtually every undergraduate major, including pre-medicine, biology, chemistry, engineering, psychology, business, education, computer science, information technology, media and graphics design, and the liberal arts.
- Students work on research or quality improvement projects with mentors in both the hospital’s clinical and non-clinical departments.
- Some students in the past have done work that has been publishable or were presented at national conferences.
- Opportunities to learn and shadow physicians, nurses, and other clinical and non-clinical staff in a large, healthcare environment.
- Gain important networking contacts and references.
- **Applications are being accepted until February 28, 2017.**
- The application requires a resume, undergraduate transcript, and a letter of recommendation.

Additional information, available positions, and the application can be found at [www.lvhn.org/researchscholar](http://www.lvhn.org/researchscholar). Questions regarding the internship program and the application process can be emailed to [diane.leuthardt@lvhn.org](mailto:diane.leuthardt@lvhn.org).
