

What is it
and
How can my
company benefit?

Lehigh Carbon Community College and Luzerne County Community College were recently awarded, as partners, a three year, \$1.7 million dollar U.S. Department of Labor grant to strengthen workforce skills in the Logistics and Transportation and Advanced Manufacturing industries in our region. The grant and its programs are called “Careers on the Move”.

What’s it mean to employers?

Extremely low cost training for Forklift Operators, Warehouse Workers, CDL Class A drivers, Diesel Mechanics and Industrial Maintenance Technicians or Mechanics

Classes for employees to earn business, logistics, manufacturing technology and other degrees at either community college

Customized Business Skills Training including Leadership, Communication and Management

Special programs to assist employers and employees with ESL training
